

Agenda Item Details

Meeting	Mar 15, 2021 - School Board Meeting Agenda - Revised #2
Category	4. Administrative Reports
Subject	4.6 Dean of Students Report/Athletics
Type	Information

Positive and Supportive School Climate

The administration, teachers, and staff continue to reach out to families and students to better serve their needs within the current level 2 instruction. We do our best to assist students by providing additional support at the school or within their homes and community. The staff consistently helps kids one on one when needed and is there as a resource through this time of the year. It's awesome to see. And the attendance report appears to be leveling off with students wanting to be here for instruction.

Academic Achievement and Rigor

I want to take this opportunity to focus on our student-athletes and the hard work they're putting-in with their teams and teachers. Both the students and teachers work week to week to ensure the assignments are turned in on time, and the students are attending classes every day. The teachers are engaging and working with all students to build the relationships we all know are critical for the classroom's success. I receive emails daily from staff encouraging the students and making sure the work is done on time.

Effective Communication-Technology

Live-streaming sporting events has been a great opportunity during these times to provide our community with watching the high school and middle school athletic events online. The school staff has improved week to week on the broadcast and now enjoy it more as our school becomes familiar with the technology. Not everyone can come to the events do the current limits for spectators; but if more so, the live-streaming allows our community members, who normally don't come to the school for various reasons, to watch the events at home. It could become a new normal for schools and, hopefully, for our school district.

Athletics

Upcoming spring sports teams.

Team	Start Date	First Game	Coaches
MS GBB, 6-8	March 15	March 29	Chris Boyd, Liza Armogost
HS Baseball	April 5	TBD by field cond.	TBD
