

## Agenda Item Details

Meeting	Mar 15, 2021 - School Board Meeting Agenda - Revised #2
Category	4. Administrative Reports
Subject	4.7 Bayfield Rec Center Report
Type	Information

### Updates and Changes

- We reopened Monday, February 22 with our Phase 2 Covid protocols.
- The pool is open for lap swim, and for a family open swim on Saturday mornings. For the family open swim, the pool is divided into 4 sections to ensure social distancing and families can reserve a half hour slot in a specific area. We should be expanding our family open swim times in mid-March.
- Cardio/weight equipment is available. Our machines are spread through the fitness room and racquetball court, and we are taking reservations for lanes/areas/times to aid in social distancing. No sauna/hot tub available until Phase 3, mostly due to the expense of heat and chemicals for the hot tub and concerns about the small space of the sauna.
- Ages 14+ allowed in facility as those are the ages allowed to use fitness equipment. Exceptions will be made for those under 14 to attend specific programming such as private martial arts lessons, scheduled lap swims, or family open swim.
- We resume a socially distanced Aqua Fit class beginning in March. No other group exercise classes at this time.
- Aspire Martial Arts group classes are cancelled at this time. We are doing Private Lessons beginning in March.
- We hope to resume socially distanced Red Cross Swim Lessons in the future.
- We are currently hiring lifeguards, front desk staff and North Coast sailing staff! We have a Red Cross Lifeguarding Course scheduled for May 14-16.

### February 22-28, 2021 Use

Strength and Cardio Equipment, Family Open Swim and Lap Swimming were available.

Total Visits - 190

Senior - 55
