### Truancy Report

The administration and I continue to attend the Red Cliff Tribal Court truancy proceedings. The goal is to engage families during the court proceeding or beyond the meeting to team up with the families to support them with attendance issues. The following truancy data is updated monthly. We have added one additional final truancy notice for the elementary and one for the high school.

Elementary	94.96	92.36

### Attendance, Truancy, and Family Connections Collaboration Team

The committee has had multiple meetings to coordinate services to find solutions to help with truancy-related issues. Individuals from the Bayfield School, the Red Cliff family Services programs, Red Cliff Planning Department, and the Red Cliff Community Health Center are participants on the committee. The topics have been Tribal Court truancy updates, the vacancy for next year with the Home School Coordinator position, the Red Cliffs Clinics involvement with families, how to best engage them with the school and clinic, and a discussion regarding a School-Based Mental Health Grant.

### Team Time with Teachers, Students and Parents, Guardians, and Foster Parents

We have had two successful meeting opportunities with parents, teachers, staff, and students individually, talking about the student's performance and the staff's ability to share their perspectives. It's a time for everyone, including parents, to discuss their child's current academic and behavioral progress and find ways to improve the sharing. Everyone has a stake in the meeting, including the student who provides their own insight into their classroom experience. The goal is to end with an action plan for the student and teachers related to classroom expectations from the staff, parents, and student. We look forward to more meetings to follow. This gives our staff the ability to reach out and help a student(s) who may need a change regarding academics or behaviors that are affecting his or her performance. So far, so good.

### *Athletics Update*

The Boys and Girls MS/HS Track had their first high school conference meet at Drummond on Tuesday, May 12th. Mr. Borchers sent out an email and said the three Troller athletes did an excellent job for the first Track meet of the year.

Also, the girls' Soccer Co-op team with Washburn is going strong. With a schedule filled with many games, the girls travel and play their home games in Washburn.

And, the baseball and softball teams are practicing and ready to play some games. The softball team scrimmaged at Drummond on Monday, May 10, and the boy's baseball team is set to scrimmage Washburn on Friday, May 14. Other scheduled games will follow through the second week of June.

Sincerely, submitted.

Jeff Gordon
