Meeting	Jun 22, 2022 - Regular School Board Meeting
Category	3. Administrative Reports
Subject	3.6 MS/HS Principal Report
Type	Information

**Academic Achievement:**

High school cumulative GPA have remained consistent, with fewer 2.0 GPA or lower for graduating class.

**Supportive Climate:**

ACP/Troller Time minutes will be absorbed into eight periods for the 22-23 school year. Will be working with high school teachers to see where key career/college obligations will be met, i.e. resume building in ELA courses. Bus arrival for 22-23 will be 8 a.m., with a class start time of 8:25 a.m.

**Effective Communication:**

Attended Title IX training and WISEDash Local annual meeting.

Guest speakers lined up for September. MS/HS staff and students will be attending the Big Top show on September 15th.

Working with AFS and ICES to hopefully add one or two foreign exchange students to BHS student body for 22-23 school year.

HS Alt. Ed. full for the 22-23 school year with a waiting list. MS Alt. Ed. still waiting on three students/families to commit to program. The MS Alt. Ed. program also has a waiting list.

**Use of Data & Resources:**

Referrals have risen compared to previous years, but data is not 100% comparable due to virtual/online school over the last two years. Highest area of concern is the rise in skipping classes referrals and technology violations. Our Every Teacher a Leader will begin analyzing data and developing an action plan to help promote positive attendance for the 22-23 school year. The incentives and follow-through from staff that connect with each student did help to curb chronic absenteeism in previous years when the team met weekly. No personal device use during the school day, with all K-12 staff supporting the new policy, will hopefully bring down the infractions from students.

**Attendance:**

Attendance for middle school averaged at 86.69% for the school year, high school was lower at 85.45%. The district goal has been 93% or higher in past years.
