  - Complete Keys to Literacy training Modules 1-4 to stay ahead of the schedule for the upcoming teacher training in September and October.
  - Update 3 Year Literacy Plan for K-5 to include Act 20 training and our Guaranteed and Viable Curriculum in ELA - this involves reviewing and revising our priority standards, refining our units of study that address the priority standards, creating common assessments and rubrics.
- Prepare for and attend the School District of Bayfield Literacy Data Retreat.
  - Reviewing data in WISEdash Local to look for trends in literacy to prepare for the 24-25 SY.
  - Review data from the Forward Exam for grades 3-5 to look for trends in literacy.
- Reviewing and finalizing the K-5 schedule. This schedule was built to maximize large blocks of instructional time at each grade level as well as providing common planning time for grade level teachers.
- Summer School - Sessions 3-5 (July 8-25). The entire crew provided a wonderful opportunity for our students to learn, laugh and explore our beautiful area. It's nice to see our kids mentally and physically challenged during the summer months!
- Summer School - Kindergarten Readiness completed. What a great group of kids we have joining our school! Haley H & Misty N and Laura P & Rosa K did a fantastic job creating a safe and engaging environment for newest school members!

- Working with staff who are off during the summer on an as needed basis by phone, email, and in-person meetings.
- Monitoring emails and phone messages from families, staff, and community members.
- Other work TBD as needed.
