| Meeting | Aug 19, 2024 - Regular School Board Meeting - REVISED |
| Category | 3. Administrative Reports |
| Subject | 3.5 MS/HS Principal Report |
| Type | Reports |

Student Success:

Reviewing and finalizing the 24-25 Master Schedule for MS/HS. Rotations were adjusted in order to make sure all rotation teachers are only teaching sections that they are licensed to teach, eliminating the need for any more training/classes for staff.

Community Collaborations and Partnerships:

An Unlocking Pathways grant was awarded to our district. Team was formed, the budget was submitted to DPI, and plans for the August workshop in Wausau were developed. Team members include principal, counselors, CTE teachers and other classroom teachers.

Our administrative team met with community partners to discuss the need for Social & Emotional Coach positions on July 9th. The position as posted and interviews conducted, with committee recommendation going forward to the school board.

Efficient Use of Resources:

Our district has implemented a phone free school for all of our K-12 buildings beginning in the 2022-2023 school year. I attended a webinar sponsored by www.phonefreeschoolsmovement.org on July 23rd. A good book for professional development as an educator, and also for parents and community members, is "The Anxious Generation: How the great rewiring of childhood is causing an epidemic of mental illness" by Jonathan Haidt. The book is very insightful with next step action plans suggested.

Frontline Effectiveness Project (evaluation system) rolled over from 23-24 school year. Once a Special Education Director is hired, I will complete the rollover and the system will be ready for the 24-25 school year for staff that use it for setting student learning objectives and professional practice goals.

Inservice schedule has been finalized and shared. New staff orientation is planned/finalized.

Institutional Compliance Solutions (ICS) shared the newly released 2024 Title IX regulations. Information has been shared with the administration team.
